EDIUS Pro 8

When an editor has to wait for technology, creativity suffers. That doesn't happen with EDIUS Pro 8. EDIUS Pro 8 means more formats and more resolutions in real time for the ability to Edit Anything, Fast. EDIUS Pro 8 is the perfect finishing tool for professional productions, including documentary and 4K theatrical productions. With more creative options and real-time, no-render editing of all popular SD, HD and even 4K formats, EDIUS Pro 8 is THE most versatile and fastest nonlinear editing software available. And EDIUS Pro 8 comes with GV Browser source management to prepare content for subsequent editing in EDIUS.

Best of all, with EDIUS Pro 8, there are no subscription fees - you buy it, you keep it - with a permanent license with free updates throughout the life of EDIUS Pro 8.x.

Need workgroup editing? The ability to edit growing files? Maybe a Dolby Plus/Professional license? Then have a look at EDIUS Workgroup 8.

EDIUS Workgroup 8

EDIUS Workgroup 8 means more formats and more resolutions in real time for the ability to *Edit Anything, Anywhere*, whether as a standalone user in the field or within network connected production infrastructures. EDIUS Workgroup 8 is the perfect finishing tool for broadcast news, news magazine content and studio programs, as well as organizational, documentary and 4K theatrical productions. With more creative options and real-time, no-render editing of all popular SD, HD and even 4K formats, EDIUS Workgroup 8 is THE most versatile and fastest nonlinear editing software available.

New features planned for future releases include:

Motion tracking, High quality slow-motion (optical flow), New color grading mode, RAW support, LOG/LUT support, Scalable 125%/150%/200% display delivers a more consistent experience across devices, including HiDPI Windows 8.1 displays, Background rendering, Frame rate converter, Windows 10 support
